Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Notice of the Office communication was sent electronically on above-indicated "Notification Date" to the following e-mail address(es):

dave@davedagg.com

SUPPLEMENTAL EXAMINER'S AMENDMENT

A supplemental examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Dagg on 10/15/2008.

The application has been amended as follows:

Claim 6 should now read:

6. (currently amended) A method for creating and providing a markup language document to a receiving computer, said method comprising the steps of:

loading said document into a memory on a server computer, said document containing conventional tags and at least one custom tag, said custom tag associated with machine-executable instructions resident on said receiving computer in communication with ~~said a~~ network;

providing said document from said server computer to said receiving computer over said network; and

said receiving computer identifying said custom tag, wherein said identifying includes scanning a document object model (DOM) representation of said document in said receiving computer for the presence of said custom tag, and inserting, by a Web

Art Unit: 2176

browser executing on said client computer and prior to rendering of said document on a display device, said machine- executable instructions into said document at a location associated with said custom tag, wherein said inserting includes modifying said DOM representation of said document to replace said custom tag with said machine-executable instructions, wherein said executable instructions are for rendering a tree control display.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James H. Blackwell whose telephone number is (571)272-4089. The examiner can normally be reached on 8-4:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doug Hutton can be reached on 571-272-4137. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
